

2026 Benefits Summary

Our employees are what make BJC a truly different kind of world-class health care organization, and the benefits we provide acknowledges their commitment to and compassion for the patients they serve. Our competitive program provides both care and support so they can do the challenging work they do every day, with support for their physical, emotional, social, and financial needs.

We offer a comprehensive Total Rewards package that includes a wide variety of benefits, compensation, recognition, learning and development opportunities, work-life programs, and more.

When Coverage Begins

Most benefits coverage, such as medical, dental and vision, begins on the first day of the month after your hire date. Benefits vary between full-time (35+ hours per week) and part-time (24–34 hours per week) employees. Your spouse and children up to age 26 are eligible for most benefits.

Please note this brochure includes only a summary of BJC's benefits and programs.

Benefits for Your Health

Employees may choose from three medical options administered by Cigna: Select, Flex, or the High Deductible Health Plan (HDHP). The Select Plan uses BJC Preferred Providers, and the Flex and HDHP use the Open Access Plus (OAP) network.

\$0 Out-of-Pocket Expenses

The BJC medical plan supports you and your family's health by covering 100% of the cost of in-network preventive care, such as annual physicals, screenings, and immunizations.

All medical plan participants can also take advantage of no-cost benefits such as virtual care services, diabetes prevention and management, and breastfeeding equipment and supplies.

For Select and Flex medical plan participants, BJC pays the full cost of many services at BJC and Saint Luke's facilities, such as outpatient lab work, outpatient imaging, nutrition counseling, and more.

Benefits for Your Future

HSA and FSAs

Employees who choose the HDHP for medical coverage may use a health savings account (HSA) to pay for eligible health care expenses with pre-tax dollars. Participants also receive contributions from BJC to help them pay for expenses, prorated up to \$500 for employee-only coverage and \$1,000 for all other coverage tiers for the calendar year.

Flexible spending accounts (FSAs) enable employees to set aside pre-tax income to pay for eligible health and dependent day care expenses throughout the year. Enrollment in a BJC medical, dental, or vision plan is not required. For 2026, participants can contribute up to \$3,300 in the Health Care FSA and \$5,000 in the Dependent Care FSA.

Retirement and Financial Planning

BJC offers retirement benefits to help provide employees a more secure and comfortable retirement, plus access to financial planning assistance.

BJC 401(k) Plan

Administered by Fidelity, the BJC 401(k) Plan offers convenient payroll deductions that grow with BJC contributions and investment earnings to help employees save for retirement. Eligible employees may enroll immediately after hire.

Employee Contributions	Pre-tax, Roth (after-tax), or combination of both, up to the annual IRS limit (additional catch-up contributions if age 50+)
BJC Matching Contribution	Up to 50% on the first 4% an employee contributes to the plan (or up to 2% of pay)
Vesting	Employee contributions: Immediately vested BJC contributions: 100% vested after three years of service

BJC 401(k) Annual Automatic Contribution*

BJC automatically contributes 4% of an employee's prior year's eligible earnings to their retirement account for each year they work 1,000 or more hours.

No employee contribution is required to receive this benefit, and all employees are eligible after one year of service (100% vested after three years).

* Graduate Medical Education (GME) Resident House Staff are not eligible.

Financial Planning and Resources

Through Fidelity, employees can get a free financial consultation, access personalized planning and advice from investment professionals, and take advantage of a collection of financial resources and tools, including free articles, interactive workshops, and more.

Life Insurance with AD&D

BJC provides many benefits to help employees protect their income and save for the future, including basic life with accidental death and dismemberment (AD&D) coverage provided at no cost, along with the option for employees to buy additional coverage for themselves, their spouse, and children at group discounted rates.

Basic Life with AD&D*	Employee Supplemental Life with AD&D	Dependent Life Insurance

Benefits to Support Your Best Life

Paid Time Off (PTO)

BJC's PTO benefit combines vacation, sick days, holidays, and personal time off in one bank.* All regular full-time and part-time employees (who have 24 or more regularly scheduled hours per week) earn PTO each pay period based on length of service, position, and hours worked. New employees are eligible for up to 24 days of PTO in their first year of service.

Staff*		Managers/Supervisors*	
Years of Service	Days Per Year	Years of Service	Days Per Year
0–3	24	0–3	28
4–9	29	4–9	32
10–14	32	10–14	34
15+	33	15+	35

* Days per year assumes an 8-hour workday. Six BJC holidays are included in PTO bank. Directors and above, GME Residents, Fellows, Physicians, Anesthesiologists, CNRAs, CAAs, APPs, and Psychologists in both regions, and Medical Physicists in the West region, follow a different time-off schedule.

Mental Health Resources and Support

A range of resources and support are available 24/7 for employees and their families from BJC's free and confidential Employee Assistance Program (EAP). Offered through ComPsych, a leader in mental health and well-being solutions, the program provides counseling and work-life services (e.g., legal guidance, financial information, online resources, and well-being coaching). BJC medical plan participants also have access to additional, free benefits such as virtual visits with licensed therapists and psychiatrists for non-emergency conditions.

Health Management Programs

BJC provides a variety of well-being programs to help employees maintain and improve their health, including weight management programs, nutrition counseling services, discounted gym memberships, diabetes prevention and management, and tobacco cessation.

Family Planning and Support

Fertility Benefits: Medical plan participants have access to fertility benefits, including medical services and prescription drugs up to a \$20,000 lifetime maximum (\$15,000 for medical and \$5,000 for prescription drugs).

Paid Parental Leave: Full-time and part-time employees (scheduled for at least 24 hours per week) may take up to two weeks of paid parental leave (100% base earnings) after six months of BJC service.

Adoption Assistance: BJC offers financial assistance to help employees cover qualified expenses incurred when adopting a child. After one year of BJC service, full-time employees are eligible to receive up to \$5,000 in reimbursement per adopted child, and part-time benefits-eligible employees may receive up to \$2,500 per child.

Legal Services

Employees can choose optional legal services coverage through MetLife that offers access to attorneys experienced in estate planning, adoptions, civil suits, credit issues, elder care, and more. Through an enhanced coverage option, some services also are available to their parents, stepparents, parents-in-law, and grandparents.

Employee Discounts

The BJC Employee Discount Program offers access to a single-destination portal featuring hundreds of discounted consumer products and services. Employees can find savings on child care, cellphones, theme parks, sporting events, electronics, travel, and much more.

On-Demand Pay

BJC's On-Demand Pay program offers employees access to up to 50% of their earned base pay when they need it, rather than waiting for a regular payday.

Benefits for Professional Growth

BJC Institute for Learning and Development (BILD)

BILD provides employees a wide array of personal and professional developmental opportunities, such as progressing relationship and communication skills, improving business acumen, and making a plan for career advancement.

It includes several partnership programs with leading colleges and universities, and many programs are offered in a cohort model where employees attend class with other BJC employees. Plus, employees have access to a career services center with a range of tools, resources, and support.

BJC Connections Groups

Each of our 48,000+ employees is unique, and BJC is committed to promoting a diverse, engaged, and inclusive workplace for everyone who helps to make medicine better. One way BJC brings this to life is through BJC Connections Groups, where employees can connect with each other and build communities within the BJC community:

- Blended
- Disability
- Diverse Nurses
- Global
- Male Clinicians
- SPECTRA (LGBTQ+)
- Veterans
- Women's
- Young Professionals

Tuition and Certification Assistance

The tuition assistance benefit provides financial assistance to support eligible employees who want to further their career at BJC.

Upon hire, full-time employees are eligible for up to \$4,500 per year in reimbursement, and part-time employees are eligible for up to \$2,250 per year.

Some nursing roles are eligible for a student loan repayment benefit.

Public Service Loan Forgiveness

BJC employees can get help paying off student loans with the Public Service Loan Forgiveness (PSLF) program, a government program that forgives the remaining balance on direct loans after 120 qualifying monthly payments are made. The repayment plan must be qualified by PSLF, and participants must be working full-time for a qualifying employer, like BJC Health.
